

DR. RAJESH K. PATEL

M.S.F.A.I.S.F.I.C.S

Gastroenterosurgeon · Laproscopic Surgeon · Endoscopist

Gastroenterology & Endo-Laprosocopy Centre

This certifies that **Satya Chaudhary** has successfully completed a shadow internship as a Medical Assistant Intern at Doctor House Mehsana under the supervision of Dr. R.K Patel (MS, General Surgeon) from April 20, 2023 to May 21, 2023.

During this period, Satya demonstrated good analytical skills and technical proficiency while observing various surgeries, including laparoscopic cholecystectomy, appendectomy, and hernia repair. Satya engaged actively with the surgical team, acquiring practical skills such as suturing a chicken's leg, which enhanced her understanding of surgical procedures.

She learned about patient evaluations, preoperative assessments, and postoperative management. She also observed how surgeons interact with their team, including nurses, anaesthesiologists, and surgical assistants, and gained knowledge in wound care, pain management, and monitoring for complications.

Satya's dedication, enthusiasm for learning, and professionalism have been exemplary throughout this internship.

Date : - - 202

This certifies that **Satya Chaudhary** has successfully completed a clinical practicum in Paediatrics under the guidance of Dr. Jagdish Khamar from **November 5, 2023 to December 2, 2023**.

During this period, Satya demonstrated distinguished professionalism and dedication. She actively participated in patient consultations, collaborated effectively with healthcare teams, and managed administrative tasks related to paediatric care.

Satya played a significant role in organizing and executing the "Weewell Wave" health education seminar for parents, showcasing her leadership and commitment to community outreach.

She exhibited strong skills in data organization and analysis, contributing to a better understanding of paediatric healthcare trends and patient outcomes.

This certificate acknowledges Satya's remarkable performance, dedication, and expertise during her Internship in Paediatrics.

Congratulations on your achievement!

Dr. Rajesh Pandya M.D.
Consultant Physician

Dr. Vaibhav Chaudhary M.D.
Consultant Physician

This certifies that **Satya Chaudhary** successfully completed an internship under the mentorship of Dr. Vaibhav Chaudhary, MD, Physician, at Doctor House Mehsana from May 2, 2022, to June 16, 2022.

During this period, Satya demonstrated strong analytical skills and a deep passion for medical practice. She actively participated in patient consultations, *diagnostic procedures*, and treatment planning sessions for over 350 patients, *primarily dealing with respiratory infections, hypertension, diabetes management, and gastrointestinal disorders.*

Satya observed various medical procedures, including thoracic radiography, and gained an understanding of serological tests, complete blood counts (CBC), blood glucose testing, lipid profiles, and liver function tests. She learned about the diagnosis and management of these conditions, as well as commonly prescribed pharmacological treatments.

This certificate acknowledges Satya's dedication, proactive engagement, and significant contributions during her internship.

This certifies that **Satya Chaudhary** has successfully completed an Internship at Deven Pathology Laboratory under the guidance of Dr.M.A Patel (Consulting Pathologist) from August 4th2024 to August 29th 2024.

Throughout the internship, Satya has demonstrated proficiency in laboratory techniques, showing meticulousness in tasks such as conducting diagnostic tests and equipment maintenance.

During the internship, Satya gained hands-on experience in various laboratory testing procedures, including the White Blood Cell (WBC) Differential Test, Thyroid Stimulating Hormone (TSH) Test, urinalysis, basic metabolic panel, complete blood count (CBC), and blood tests. Her dedication to understanding procedures thoroughly and executing them meticulously was evident in their work.

This certificate acknowledges Satya Chaudhary's outstanding performance and the valuable scientific skills she has developed during her Internship in the Laboratory.

Dr. Valbhav Chaudhary M.D.
Consultant Physician

This certifies that **Satya Chaudhary** successfully completed a Medical Assistant Internship under the guidance of Dr. Rajesh Pandya (MD, Physician) at Doctor House Mehsana from April to May 2024.

During this internship, Satya observed patient care practices, including monitoring vital signs, preparing examination rooms, and participating in emergency procedures such as cardiopulmonary resuscitation (CPR). She observed the diagnosis of over 450 patients, primarily focusing on a variety of medical conditions including upper respiratory infections, gastrointestinal disorders, hypertension, diabetes, cardiovascular diseases, neurological disorders, endocrine disorders, renal diseases, musculoskeletal disorders, and dermatological conditions.

Throughout her internship, Satya demonstrated a keen interest in medical practice, critical thinking, and effective communication skills, contributing to comprehensive patient care strategies.

It is my firm belief that Satya has gained valuable knowledge and skills during this internship, contributing to her growth and readiness for future endeavours in the medical field.
